Producers 88 (4-89) — Paid Up With 640 Acres Pooling Provision STANDARD LEASE

## PAID UP OIL AND GAS LEASE (No Surface Use)

THIS LEASE AGREEMENT is made this day of October	, 2009, by and
between leggy walter, AKA Peggy Waller herein, dealing in her sole and separate property is 6401 Sunut C+ worth Birthand Hills TX 7/6/80	whose address , as Lessor, and DALE
is 16401 Sunct Ct. North (Nichland Hills TX 76188) PROPERTY SERVICES, L.L.C., 2100 Ross Avenue, Suite 1870 Dallas Texas 75201, as Lessee. All printed portions of this lease v	
hereinabove named as Lessee, but all other provisions (including the completion of blank spaces) were prepared jointly by Lessor and Lessee.	refer prepared by the party
1. In consideration of a cash bonus in hand paid and the covenants herein contained, Lessor hereby grants, leases and lets exclusively to Les	see the following described
land, hereinafter called leased premises:	-
	4 -
O.244 ACRES OF LAND, MORE OR LESS, BEING LOT 18 BLOCK 4 , OUT OF THE HALTON ACRE AN ADDITION TO THE CITY OF HALTON CITY , BEING MORE PARTICULAL METES AND BOUNDS IN THAT CERTAIN PLAT RECORDED IN VOLUME $388$ , PAGE $135$	S ADDITION,
AN ADDITION TO THE CITY OF HALTON CITY BEING MORE PARTICULA	RLY DESCRIBED BY
METES AND ROUNDS IN THAT CERTAIN PLAT RECORDED IN VOLUME 388 PAGE 135	OF THE PLAT
RECORDS OF TARRANT COUNTY, TEXAS.	0
RECORDS OF TARRANT COUNTY, TEXAS.	
in the county of TARRANT, State of TEXAS, containing 0.244 gross acres, more or less (including any interests therein which Less	or may bereafter acquire by
reversion, prescription or otherwise), for the purpose of exploring for, developing, producing and marketing oil and gas, along with all hydroca	rbon and non hydrocarbon
substances produced in association therewith (including geophysical/seismic operations). The term "gas" as used herein includes helium,	carbon dioxide and other
commercial gases, as well as hydrocarbon gases. In addition to the above-described leased premises, this lease also covers accretions and all	ny small strips or parcels of
land now or hereafter owned by Lessor which are contiguous or adjacent to the above-described leased premises, and, in consideration of the a	forementioned cash bonus,
Lessor agrees to execute at Lessee's request any additional or supplemental instruments for a more complete or accurate description of the land s	o covered. For the purpose
of determining the amount of any shut-in royalties hereunder, the number of gross acres above specified shall be deemed correct, whether actually	more or less.
FIVE	5 ) years from the date
2. This lease, which is a "paid-up" lease requiring no rentals, shall be in force for a primary term of	from lands pooled therewith
refer, and in as only interested as on or gas on other substances overest neterby are produced in paying quantities from the reased premises or this lease is otherwise maintained in effect pursuant to the provisions hereof.	nom lands pooled therewith
3. Royalties on oil gas and other substances produced and saved hereunder shall be paid by Lessee to Lessor as follows: (a) For oil an	d other liquid hydrocarbons
separated at Lessee's separator facilities, the royalty shall be TujEntry - FIVE PENT (25)% of such production	to be delivered at Lessee's
option to Lessor at the wellhead or to Lessor's credit at the oil purchaser's transportation facilities, provided that Lessee shall have the contin	uing right to purchase such
production at the wellhead market price then prevailing in the same field (or if there is no such price then prevailing in the same field, then in the n	earest field in which there is
such a prevailing price) for production of similar grade and gravity; (b) for gas (including casing head gas) and all other substances covered	hereby, the royalty shall be
TWENTY-FIVE REACENT (25)% of the proceeds realized by Lessee from the sale thereof, less a proportionate p	art of ad valorem taxes and
production, severance, or other excise taxes and the costs incurred by Lessee in delivering, processing or otherwise marketing such gas or other	
Lessee shall have the continuing right to purchase such production at the prevailing wellhead market price paid for production of similar quality in	
no such price then prevailing in the same field, then in the nearest field in which there is such a prevailing price) pursuant to comparable purcha	se contracts entered into on
the same or nearest preceding date as the date on which Lessee commences its purchases hereunder; and (c) if at the end of the primary term of	or any time thereafter one or
more wells on the leased premises or lands pooled therewith are capable of either producing oil or gas or other substances covered hereby in pa	ying quantities or such wells
are waiting on hydraulic fracture stimulation, but such well or wells are either shut-in or production there from is not being sold by Lessee, such we	If or wells shall nevertheless
be deemed to be producing in paying quantities for the purpose of maintaining this lease. If for a period of 90 consecutive days such well or we	elis are snut-in or production
there from is not being sold by Lessee, then Lessee shall pay shut-in royalty of one dollar per acre then covered by this lease, such payment	to be made to Lessor or to
Lessor's credit in the depository designated below, on or before the end of said 90-day period and thereafter on or before each anniversary of the	congrations or if production
while the well or wells are shut-in or production there from is not being sold by Lessee; provided that if this lease is otherwise being maintained by is being sold by Lessee from another well or wells on the leased premises or lands pooled therewith, no shut-in royalty shall be due until the er	nd of the 90-day period next
is being soon by Lessee from another wen or well of the leased premises or lands potent merewin, no structure in loyang shall be deed with the of following cessation of such operations or production. Lessee's failure to properly pay shut-in royalty shall render Lessee liable for the amount	tue but shall not operate to
terminate this lease.	aud, but ditall not operate to
4. All shut-in royalty payments under this lease shall be paid or tendered to Lessor or to Lessor's credit in at lessor's address	above or its successors,
which shall be Lessor's depository agent for receiving payments regardless of changes in the ownership of said land. All payments or tenders ma	be made in currency, or by
check or by draft and such payments or tenders to Lessor or to the depository by deposit in the US Mails in a stamped envelope addressed to the	e depository or to the Lessor
at the last address known to Lessee shall constitute proper payment. If the depository should liquidate or be succeeded by another institution, or	for any reason fall or refuse
to accept payment hereunder, Lessor shall, at Lessee's request, deliver to Lessee a proper recordable instrument naming another institution as	depository agent to receive
payments	
5. Except as provided for in Paragraph 3. above, if Lessee drills a well which is incapable of producing in paying quantities (hereinafter cal	led "dry hole") on the leased
premises or lands pooled therewith, or if all production (whether or not in paying quantities) permanently ceases from any cause, including a	revision of unit boundaries
pursuant to the provisions of Paragraph 6 or the action of any governmental authority, then in the event this lease is not otherwise being	maintained in force it shall
nevertheless remain in force if Lessee commences operations for reworking an existing well or for drilling an additional well or for otherwise obtaining the commences operations for the commences obtained by the commences operations for the commences of the com	ection of all production. If at
on the leased premises or lands pooled therewith within 90 days after completion of operations on such dry hole or within 90 days after such ces	lling reworking or any other
the end of the primary term, or at any time thereafter, this lease is not otherwise being maintained in force but Lessee is then engaged in dri operations reasonably calculated to obtain or restore production there from, this lease shall remain in force so long as any one or more of such or	erations are prosecuted with
no cessation of more than 90 consecutive days, and if any such operations result in the production of oil or gas or other substances covered in	ereby, as long thereafter as
to cessation in finite limits of consequence usys, and it any sour operations result in the production of a well capable of producting in there is production in paying quantities from the leased premises or lands pooled therewith. After completion of a well capable of producing in	paving quantities hereunder.
Lessee shall drill such additional wells on the leased premises or lands pooled therewith as a reasonably prudent operator would drill under the Sa	ame or similar circumstances
to (a) develop the leased premises as to formations then capable of producing in paying quantities on the leased premises of lands pooled in	erewith, or (b) to protect the
leased premises from uncompensated drainage by any well or wells located on other lands not pooled therewith. There shall be no covenant to	drill exploratory wells or any
additional wells except as expressly provided herein.	
6. Lessee shall have the right but not the obligation to pool all or any part of the leased premises or interest therein with any other lands	or interests, as to any or all
donths or zones, and as to any or all substances covered by this lease, either before or after the commencement of production, Whenever Le	essee deems it necessary or
proper to do so in order to prudently develop or operate the leased premises, whether or not similar pooling authority exists with respect to such	10% and for a cas well or a
unit formed by such pooling for an oil well which is not a horizontal completion shall not exceed 80 acres plus a maximum acreage tolerance of	well or gas well or horizontal
horizontal completion shall not exceed 640 acres plus a maximum acreage tolerance of 10%; provided that a larger unit may be formed for an oil completion to conform to any well spacing or density pattern that may be prescribed or permitted by any governmental authority having jurisdiction.	
of the foregoing, the terms "oil well" and "gas well" shall have the meanings prescribed by applicable law or the appropriate governmental authors.	on to do so. For the purpose
prescribed, "oil well" means a well with an initial gas-oil ratio of less than 100,000 cubic feet per barrel and "gas well" means a well with an initial	of to do so. For the purpose

8. The interest of either Lessor or Lessee hereunder may be assigned, devised or otherwise transferred in whole or in part, by area and/or by depth or zone, and the rights and obligations of the parties hereunder shall extend to their respective heirs, devisees, executors, administrators, successors and assigns. No change in Lessor's ownership shall have the effect of reducing the rights or enlarging the obligations of Lessee hereunder, and no change in ownership shall be binding on Lessee until 60 days

## Page 2 of 3

after Lessee has been furnished the original or certified or duly authenticated copies of the documents establishing such change of ownership to the satisfaction of Lessee or after Lessee has been furnished the original or certified or duly authenticated copies of the documents establishing such change of ownership to the satisfaction of Lessee or until Lessor has satisfied the notification requirements contained in Lessee's usual form of division order. In the event of the death of any person entitled to shut-in royalties hereunder, Lessee may pay or tender such shut-in royalties to the credit of decedent or decedent's estate in the depository designated above. If at any time two or more persons are entitled to shut-in royalties hereunder, Lessee may pay or tender such shut-in royalties to such persons or to their credit in the depository, either jointly or separately in proportion to the interest which each owns. If Lessee transfers its interest hereunder in whole or in part Lessee shall be relieved of all obligations thereafter arising with respect to the transferred interest, and failure of the transferse to satisfy such obligations with respect to the transferred interest shall not affect the rights of Lessee with respect to any interest not so transferred. If Lessee transfers a full or undivided interest in all or any portion of the area covered by this lease, the obligation to pay or tender shut-in royalties hereunder shall be divided between Lessee and the transferred in proportion to the net acreage interest in this lease then held by each.

9. Lessee may, at any time and from time to time, deliver to Lessor or file of record a written release of this lease as to a full or undivided interest in all or any portion of the area covered by this lease or any depths or zones there under, and shall thereupon be relieved of all obligations thereafter arising with respect to the interest so released. If Lessee releases all or an undivided interest in less than all of the area covered hereby. Lessee releases all or ender shut-in royalties shall be proportionately reduced.

If Lessee releases all or an undivided interest in less than all of the area covered hereby, Lessee's obligation to pay or tender shut-in royalties shall be proportionately reduced in accordance with the net acreage interest retained hereunder.

in accordance with the net acreage interest retained hereunder.

10. In exploring for, developing, producing and marketing oil, gas and other substances covered hereby on the leased premises or lands pooled or unitized herewith, in primary and/or enhanced recovery, Lessee shall have the right of ingress and egress along with the right to conduct such operations on the leased premises as may be reasonably necessary for such purposes, including but not limited to geophysical operations, the drilling of wells, and the construction and use of roads, canals, pipelines, tanks, water wells, disposal wells, injection wells, pits, electric and telephone lines, power stations, and other facilities deemed necessary by Lessee to discover, produce, store, treat and/or transport production. Lessee may use in such operations, free of cost, any oil, gas, water and/or other substances produced on the leased premises, except water from Lessor's wells or ponds. In exploring, developing, producing or marketing from the leased premises or lands pooled therewith, the ancillary rights granted herein shall apply (a) to the entire leased premises described in Paragraph 1 above, notwithstanding any partial release or other partial termination of this lease; and (b) to any other lands in which Lessor now or hereafter has authority to grant such rights in the vicinity of the leased premises or lands pooled therewith. When requested by Lessor in waiting Lessee shall bury its pipelines.

other lands in which Lessor now or hereafter has authority to grant such rights in the vicinity of the leased premises or lands pooled therewith. When requested by Lessor in writing, Lessee shall bury its pipelines below ordinary plow depth on cultivated lands. No well shall be located less than 200 feet from any house or barn now on the leased premises or other lands used by Lessee hereunder, without Lessor's consent, and Lessee shall pay for damage caused by its operations to buildings and other improvements now on the leased premises or such other lands, and to commercial timber and growing crops thereon. Lessee shall have the right at any time to remove its fixtures, equipment and materials, including well casing, from the leased premises or such other lands during the term of this lease or within a reasonable time thereafter.

11. Lessee's obligations under this lease, whether express or implied, shall be subject to all applicable laws, rules, regulations and orders of any governmental authority having jurisdiction including restrictions on the drilling and production of wells, and the price of oil, gas, and other substances covered hereby. When drilling, reworking, production or other operations are prevented or delayed by such laws, rules, regulations or orders, or by inability to obtain necessary permits, equipment, services, material, water, electricity, fuel, access or easements, or by fire, flood, adverse weather conditions, war, sabotage, rebellion, insurrection, riot, strike or labor disputes, or by inability to obtain a satisfactory market for production or failure of purchasers or carriers to take or transport such production, or by any other cause not reasonably within Lessee's control, this lease shall not terminate because of such prevention or delay, and at Lessee's option, the period of such prevention or delay shall be added to the term hereof.

control, this lease shall not terminate because of such prevention or delay, and at Lessee's option, the period of such prevention or delay shall be added to the term hereof. Lessee shall not be liable for breach of any express or implied covenants of this lease when drilling, production or other operations are so prevented, delayed or interrupted.

12. In the event that Lessor, during the primary term of this lease, receives a bona fide offer which Lessor is willing to accept from any party offering to purchase from Lessor a lease covering any or all of the substances covered by this lease and covering all or a portion of the land described herein, with the lease becoming effective upon expiration of this lease, Lessor hereby agrees to notify Lessee in writing of said offer immediately, including in the notice the name and address of the offeror, the price offered and all other pertinent terms and conditions of the offer. Lessee, for a period of fifteen days after receipt of the notice, shall have the prior and preferred right and option to purchase the lease or part thereof or interest therein, covered by the offer at the price and according to the terms and conditions specified in the offer.

13. No litigation shall be initiated by Lessor with respect to any breach or default by Lessee hereunder, for a period of at least 90 days after Lessor has given Lessee written notice fully describing the breach or default, and then only if Lessee shall not be forfeited or canceled in whole or in part unless Lessee is given a reasonable time after said judicial determination to remedy the breach or default and Lessee falls to do so.

14. For the same consideration recited above, Lessor hereby grants, assigns and conveys unto Lessee. its successors and assigns, a perpetual subsurface well bore

14. For the same consideration recited above, Lessor hereby grants, assigns and conveys unto Lessee, its successors and assigns, a perpetual subsurface well bore easement under and through the leased premises for the placement of well bores (along routes selected by Lessee) from oil or gas wells the surface locations of which are situated on other tracts of land and which are not intended to develop the leased premises or lands pooled therewith and from which Lessor shall have no right to royalty or other benefit. Such subsurface well bore easements shall run with the land and survive any termination of this lease.

15. Lessor hereby warrants and agrees to defend title conveyed to Lessee hereunder, and agrees that Lessee at Lessee's option may pay and discharge any taxes,

not judges or liens existing, levied or assessed on or against the leased premises. If Lessee nerunder, and agrees trat Lessee at Lessee s option may pay and discharge any taxes, mortgages or liens existing, levied or assessed on or against the leased premises. If Lessee shall be subrogated to the rights of the party to whom payment is made, and, in addition to its other rights, may reimburse itself out of any royalties or shut-in royalties otherwise payable to Lessor hereunder. In the event Lessee is made aware of any claim inconsistent with Lessor's title, Lessee may suspend the payment of royalties and shut-in royalties hereunder, without interest, until Lessee has been furnished satisfactory evidence that such claim has been resolved.

16. Notwithstanding anything contained to the contrary in this lease, Lessee shall not have any rights to use the surface of the leased premises for drilling or other

operations

DISCLAIMER OF REPRESENTATIONS: Lessor acknowledges that oil and gas lease payments, in the form of rental, bonus and royalty, are market sensitive and may vary depending on multiple factors and that this Lease is the product of good faith negotiations. Lessor understands that these lease payments and terms are final and that Lessor entered into this lease without duress or undue influence. Lessor recognizes that lease values could go up or down depending on market conditions. Lessor acknowledges that no representations or assurances were made in the negotiation of this lease that Lessor would get the highest price or different terms depending on future market conditions. Neither party to this lease will seek to alter the terms of this transaction based upon any differing terms which Lessee has or may negotiate

IN WITNESS WHEREOF, this lease is executed to be effective as of the date first written above, but upon execution shall be binding on the signatory and the signatory's heirs, devisees, executors, administrators, successors and assigns, whether or not this lease has been executed by all parties hereinabove named as Lessor.
